TO: Hamilton County Drainage Board

RE: Fitch & Jessup Drain Maintenance Assessment Increase

At this time I recommend that the rates for the maintenance assessment for the Fitch & Jessup Drain be revised. Currently the rates for this drain are set at \$1.00 per acre with a \$5.00 minimum, and \$10.00 per acre for roads. With 314.39 acres and 264 lots in the drainage shed the annual assessment for this drain is \$2,583.12. The fund has a current balance of \$9,057.94. Currently there is one (1) drainage complaint submitted and four (4) work orders issued. The work orders that are issued at this time are anticipated to exceed all available funds.

I recommend the rates be revised to the following standard rates for the county.

1. Maintenance assessment for agricultural tracts be set at \$5.00 per acre with a \$25.00 minimum.
2. Maintenance assessment for non-platted residential tracts be set at \$5.00 per acre with a \$25.00 minimum.
3. Maintenance assessments for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$45.00 per lot/minimum. Common areas within the non-regulated drain subdivisions shall be assessed at \$10.00 per acre with a \$45.00 minimum.
4. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$15.00 per acre with a \$65.00 minimum.
5. Maintenance assessment for commercial, institutional and multi-family residential tracts to be set at \$15.00 per acre with a \$85.00 minimum.
6. Maintenance assessment for roads and streets be set at \$15.00 per acre.

With above rates the drain will collect \$16,639.32 annually. These collections at the revised rates will begin in May 2014.

I recommend the Board set a hearing for this matter on September 23, 2013.

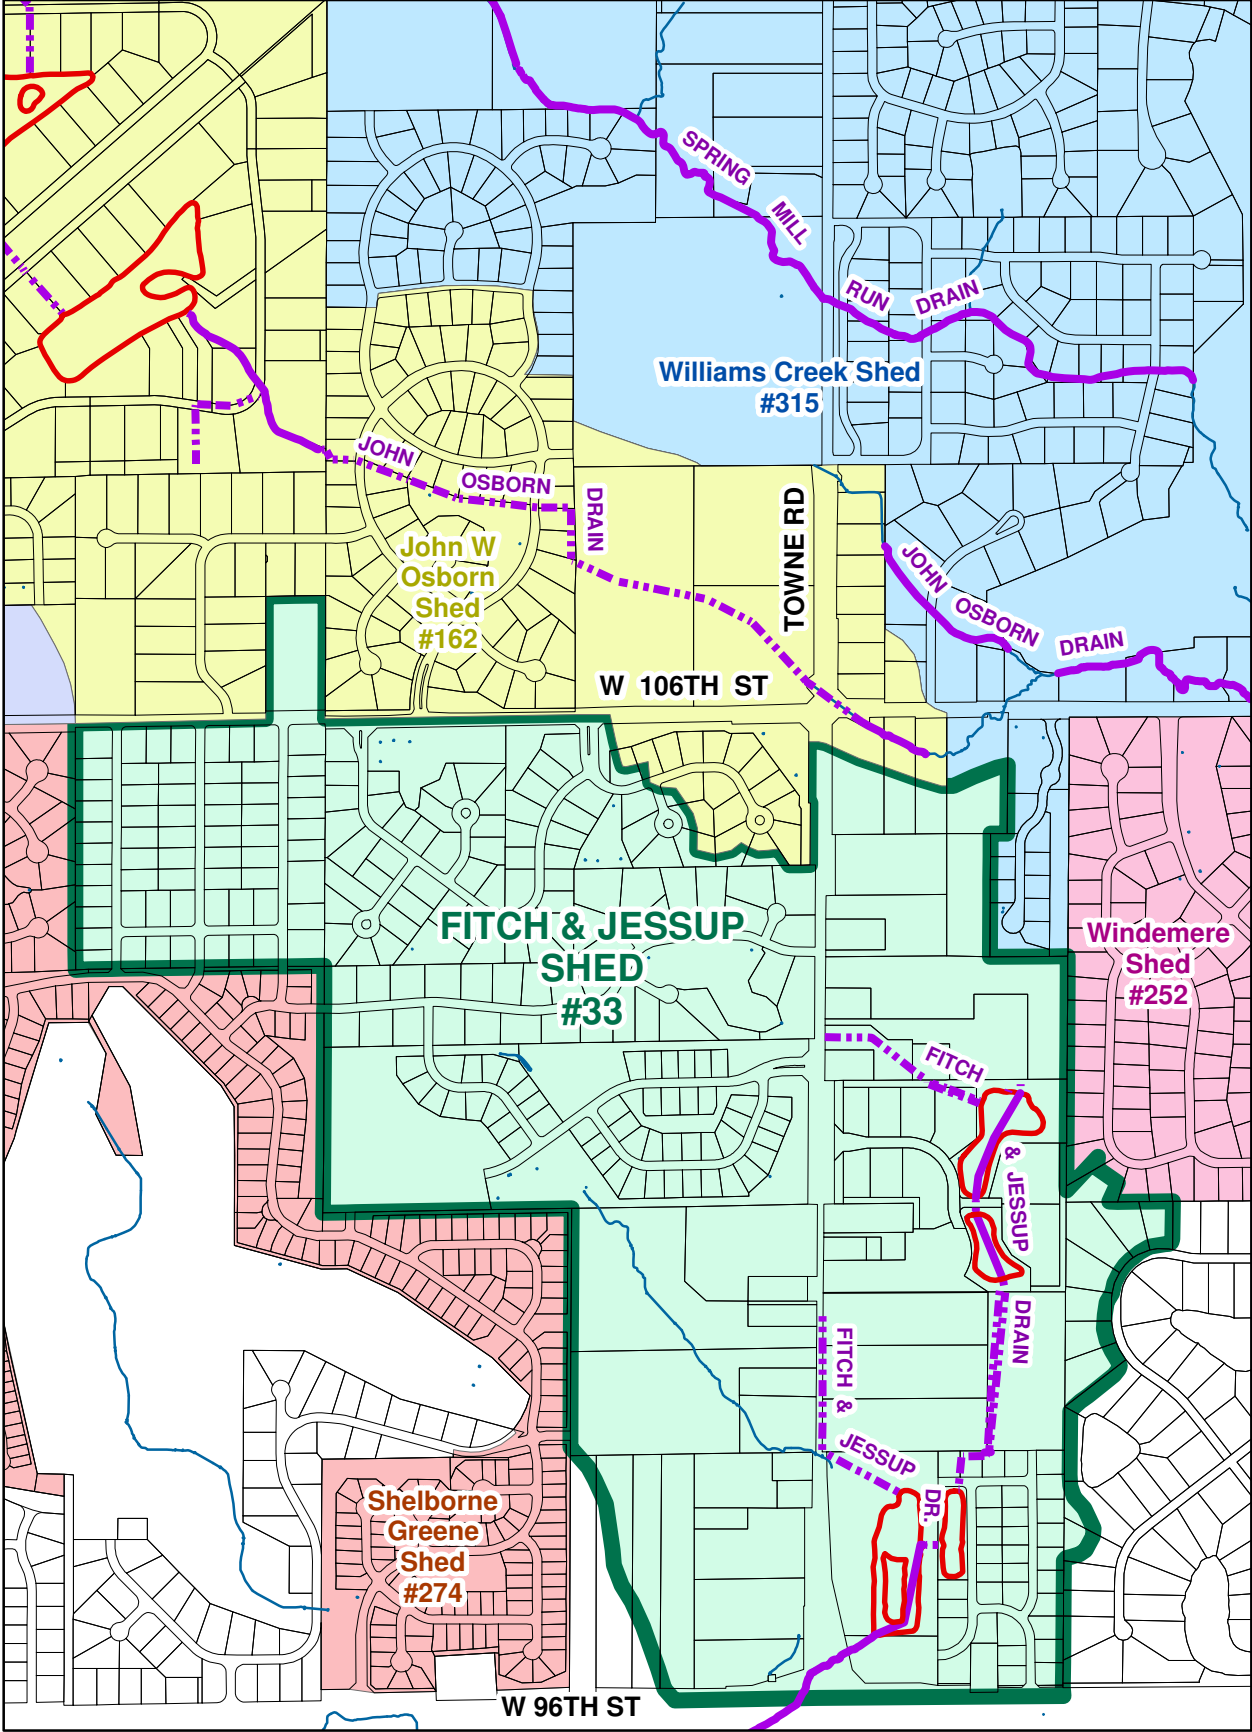

Sincerely,

A handwritten signature in black ink, appearing to read 'Kenton C. Ward', written in a cursive style.
