Re: Williams Creek Drainage Area, Claridge Farms #243 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Claridge Farms Drain should be made an arm to the Williams Creek Drainage Area as the Claridge Farms Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Claridge Farms Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Claridge Farms Drain was created per my report dated December 20, 1990 and approved by the Board at a hearing on March 18, 1991 (See Drainage Board Minute Book #2, pages 516 and 520). At present the Claridge Farms Drain maintenance assessment affects 96.87 acres and 230 lots. The rate of assessment for the drain is set at \$5.00 per acre with a \$25.00 minimum. This rate collects \$6,594.16 annually and the balance within the fund is \$27,908.30. There are no outstanding work orders for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

The total annual assessment for this arm will be \$16,833.30.

The following parcels that are part of Village of West Clay but drain through Claridge Farms should be assessed at the unregulated subdivision rate, since their regulated drain is maintained as part of the Village of West Clay Drain:

Parcel	Owner
17-09-28-00-43-002.000	Steven & Marla Nelick
17-09-28-00-43-003.000	Donato & Julie Ciaccia
17-09-28-00-43-004.000	Shekar & Divya Narayanan

The current balance of the Claridge Farms Drain shall be kept separate and these funds expended for needed maintenance on the Claridge Farms Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Claridge Farms Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Claridge Farms Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for August 27, 2012.

Sincerely,

Kenton C. Ward, CFM  
Hamilton County Surveyor
