To: Hamilton County Drainage Board

Re: Williams Creek Drainage Area, Spring Lake Estates #282 Arm

Upon review of the Williams Creek Drainage Area, I believe that the Spring Lake Estates Drain should be made an arm to the Williams Creek Drainage Area as the Spring Lake Estates Drain is a tributary to the Williams Creek Drain. This would also avoid a double assessment on the tracts currently assessed for the Spring Lake Estates Drain when the remainder of the Williams Creek Drain is assessed for maintenance.

The Spring Lake Estates Drain was created by the Hamilton County Drainage Board per the Surveyor's report dated June 1, 1995 and approved by the Board on August 21, 1995 (See Drainage Board Minutes Book 4, Pages 156 to 157). At present the Spring Lake Estates Drain maintenance assessment affects 15.19 acres and 45 lots. The rate of assessment for the drain is set at \$5.00 per acre for common areas and road, with a \$50.00 minimum, and \$50.00 per lot. This rate collects \$2,450.00 annually and the balance within the fund is \$11,918.25. There are no outstanding work orders for this drain at this time.

The current maintenance assessments, as per the existing rates set for the Williams Creek Drainage Area are as follows:

1. Maintenance assessment for roads and streets are set at \$10.00 per acre.
2. Maintenance assessment for agricultural tracts are set at \$3.00 per acre with a \$15.00 minimum.
3. Maintenance assessment for non-platted residential tracts are set at \$3.00 per acre with a \$15.00 minimum.

4. Maintenance assessment for commercial, institutional and multi-family residential tracts are set at \$10.00 per acre with a \$75.00 minimum.
5. Maintenance assessment for platted lots in subdivisions whose drainage systems will not be part of the regulated drain shall be set at \$35.00 per lot/minimum. Common areas within non-regulated drain subdivisions shall be assessed at \$5.00 per acre with a \$35.00 minimum.
6. Maintenance assessment for platted lots within subdivisions whose drainage system will be part of the regulated drain shall be set at \$65.00 per lot/minimum. Common areas within the regulated drain subdivisions shall be set at \$10.00 per acre with a \$65.00 minimum.

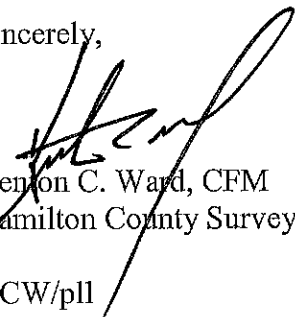

The total annual assessment for this arm will be \$3,220.00.

The current balance of the Spring Lake Estates Drain shall be kept separate and these funds expended for needed maintenance on the Spring Lake Estates Drain. This shall be done until the funds are exhausted. At that time funding for repairs shall then be taken from the Williams Creek Drainage Area fund.

Future assessments for the drainage area of the Spring Lake Estates Drain will be made into the Williams Creek Drainage Area fund. No further maintenance collections for the Spring Lake Estates Drain shall be made after 2012 other than any delinquent assessment penalties and interest which remain unpaid.

I recommend that the Board set a hearing for this consolidation for July 23, 2012.

Sincerely,

Kenyon C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Williams Creek #315 Hearing: 07/23/12

Spring Lake Estates Arm (Was #282) Rate was \$5/Ac, \$50/Min.
 Collection period will be until the balance of Williams Creek equals
 8 times it's annual assessment.

The current balance of Spring Lake Estates will be used for needed maintenance on the
 Spring Lake Estates Drain. After those funds are exhausted, repairs will be paid from the
 Williams Creek Drain fund.
