To: Hamilton County Drainage Board

Re: Shelborne Greene Drain, 106th and Shelborne Road RAB Reconstruction

Attached are a petition, plans, and shed map for the proposed reconstruction of the Shelborne Greene Drain. The reconstruction is being proposed by the Hamilton County Highway Department. The proposal is to reconstruct the drain to provide drainage for the 106th Street and Shelborne Road Round-a-bout. The reconstruction is as shown per plans by Corradino, LLC, having Job No. PR-08-0002, and dated August 11, 2010.

The reconstruction will add new drain from existing Str. 125 of the Huntersfield Section 1 Arm of the Shelborne Greene Drain to Str. 146 and then to Str. 154 of the road plans.

The new drain for the round-a-bout project will consist of the following:

12" RCP 156 ft.

The total length of new drain shall be 156 feet.

The cost of the reconstruction was paid by the Hamilton County Highway Department.

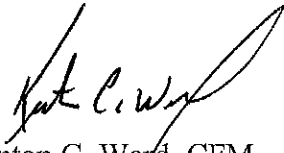

The Hamilton County Highway Department was not required to provide surety.

I believe this proposed drain meets the requirements for Urban Drain Classification as set out in IC 36-9-27-67 to 69. Therefore, this drain shall be designated as an Urban Drain.

With this reconstruction, 0.63 acres should be removed from the Shelborne Green Drain and added to the Crooked Creek Drain. Since the road acreage assessment is \$10.00 per acre for each, this will result in no net change for the road assessments to the City of Carmel.

The easement for this drain will be the existing right of way for 106th Street and Shelborne Road, along with the platted drainage easement shown on the secondary plat for Huntersfield (PC 1, Slide 457) as recorded in the Office of the Hamilton County Recorder.

I recommend the Board set a hearing for this proposed drain for November 28, 2011.

A handwritten signature in black ink, appearing to read "Kenton C. Ward". The signature is fluid and cursive, with a large, sweeping flourish at the end.

Kenton C. Ward, CFM
Hamilton County Surveyor

KCW/pll

Shelborne Greene #274

106th & Shelborne Round-a-bout

*No change in current maintenance asmt except 0.63 acres will be moved from Shelborne Greene #274 & added to Crooked Crk #250 for road asmt.

*Cost of construction was paid by Hamilton Co. Hwy.

Will add 156' of new drain.

Easement is existing right-of-way & platted easement of Huntersfield Subd.

Hearing: 11/28/11
